Yes! At times of lockdown, and every other time we can watch Sunday worship at home, on line

FUN! at Messy Church. Worship for young and old..... please join us

Message from our Minister

Greetings everyone,

Here we are again, climbing out of another COVID lockdown. Many of our plans have all gone astray again. I hope that you and your family and friends are still of good spirits. I also hope that if you are not fully vaccinated for COVID yet, then you will be doing so soon.

Yes, it's one of significant things that all of us can do to help one another in these COVID times and keep our community safe. We help prevent vulnerable people catching the disease if we are not liable to be spreading it ourselves.

Planning our future programs in the community and in Church are important. We are not fearful of further lockdowns that may come, but plan in hope. If fresh lockdowns come, then as we are now practised, we will adjust. Hope for the future is what drives us and the hope that we can continue to engage each other in meaningful activities is what we crave.

So, on that hopeful note, please scan our quarterly Calendar for programs that may suit you. Not everything has returned straightaway, and some may be modified, so watch for details.

Also don't forget to scan the QR code when you

come into the building. There is a Burwood UCA one as well as codes for each of our community groups. It is always helpful to choose the right one. They are clearly labelled. Stay safe, and follow the relevant COVID guidelines.

August is often a time when many groups start to plan their Christmas programs, services, and activities. I think in a year of difficulty and stress, it becomes even more important to have special celebrations. Plan carefully and plan well and may we all pray that the scourge of COVID becomes a memory soon.

Blessings to you and your loved ones

John Mann. 9888 9435

Look to our website and Pew Sheet for further details. Regularly check our website <https://burwood.ucavictas.org.au/> for all our worship, general activities and our community partners' news. Be sure to look for our Communications page. I look forward to seeing you very soon.
